

BOOTH HILL SCHOOL PTO

AFTER SCHOOL PROGRAMS: Spring 2019

MONDAYS, WEDNESDAYS and/or THURSDAYS 3:50 - 4:50 PM

6 WEEKS: 2/25/2019 - 4/1/2019

MONDAYS:

ZUMBA KIDS \$85: Grades K-4

Perfect for kids who love to dance, this Zumba Kids class features kid-friendly routines that will help your child develop a healthy lifestyle by making fitness fun! (Class size Min 5)

MAD SCIENCE: FREAKY PHYSICS! \$110: Grades 1-4

Become a junior engineer as you learn about and build super structures like bridges, arches & pyramids! Become a magician while learning the "science secrets" behind some of the most famous magic tricks! Learn about forces, gravity & inertia while experimenting with gyroscopes & spinning wheels. Discover how electric current follows a circuit as you make buzzers buzz, and make a firefly light up! Examine aircrafts & learn about the principles of flight as you build your own loop-flying panel stunt plane! Create your own "wave inside a bottle" while learning. Explore the farthest reaches of our solar system and create a lunar eclipse in a "Mad" planetary tour. Journey through a soapy galaxy as you investigate the life cycle of stars. Race a balloon rocket and design your own car engine as you learn about thrust. Investigate the four forces of flight with the help of a unique flying object! Build your own Skyblazer II rocket plus other cool experiments that you can take home. The classes are out of this world!
(Class size Min 12/Max 22)

WEDNESDAYS:

CODE NINJAS New Program \$115: Grades 2-4

Why play video games when you can build your own? In the 6 week session kids will learn about how a game is built, changing an idea into a design and learning to code while having lots of fun!!
(Class size Min 10/Max 20)

BRINGTHEHOOPLA \$65: Grades K-4

Bring the fun back into fitness! In this high energy hoop class students will practice a variety of hoop games that build stamina and focus, foster team-building, leadership and cooperative play. We build self-confidence through hooping and learn to love ourselves for exactly who we are.
(Class size Min 7/Max 25)

THURSDAYS:

THE GIGGLING PIG \$95: Grades K-4

Join The Giggling Pig for some artistic winter fun. Students will have the opportunity to create a variety of winter images painting on canvas, watercolors and exploring other artistic techniques. Please remember to dress for a mess!
(Class size Min 7/Max 20)

MINECRAFT-CODING 101-\$90: Grades 1-4

Don't know where to start?! This camp introduces youngsters to the fundamentals of computer science using an easy-to-use program known as Blockly by Google. Campers will learn the principles of computer programming such as repeat loop, conditional statements etc. to create mini Minecraft™ games and puzzles.
(Class size Min 6/Max 12)

LEGO IN MOTION \$90: Grades K-3

Young budding engineers love this "hands-on, minds-on" program. Concepts of simple machines such as gears, pulleys, levers and wheels are introduced through a series of activity-card LEGO building projects. With the use of motor and electrical controls, the models come alive right before their eyes!
(Class size Min 6/Max 12)

CROSS FIT New Program \$95: Grades K-4

This class will provide children with an outlet to be physically active, but also instilling healthy habits and knowledge at an early age. It is a jump start to understanding what it means to have health and wellness. The purpose of this class is to target the entire mind and body of children, pushing them to challenge themselves to discover more about themselves while also having fun.
(Class size Min 5)

Registration is due on or before **FEBRUARY 20th** and will be done on a first come, first serve basis. Please return form and payment to the Front Office- ATTN: PTO/After School Programs. The BHS PTO can only accept checks for this program, no cash, please make checks payable to BHS PTO and send along with this form. *Parents should provide a walker note and snack.*

*****Dismissal is promptly at 4:50PM in the front lobby. The PTO reserves the right to dismiss any child from the program without refund for late pickups. Please make arrangements ahead of time to have your child picked up each week at 4:50PM.*****

Please contact Megan Sanches at megan.sanches@comcast.net with any questions.
