

# BHS PTO FUNDRAISING OPT-OUT PROGRAM

This school year, we are continuing the optional Opt-Out Program, designed for families who are looking for an alternative to traditional fundraisers. The BHS PTO relies on the support of all our parents for fundraising efforts throughout the year so that students may participate in a variety of fun and exciting activities that help support the educational process, and foster the "Booth Hill School experience" that makes their time here special. We do our best to limit the number of fundraisers we coordinate, so active participation by all of our parents is important so we can continue to provide these educational and exciting events for our children.

The PTO estimates that continuing to provide these activities will cost approximately \$50.00 per student for the 2018-2019 school year. The Booth Hill School PTO is a registered 501c3 organization. All donations made to the PTO are tax-deductible to the fullest extent allowed by law.

*Due to the extraordinary fundraising efforts over the years by our BHS families, we donated over \$18,000 worth of technology equipment to the school, including 30 Chromebooks and 2 iPads for this 2018-2019 school year, and 30 Chromebooks and 18 HoverCams provided the previous school year.*

Your PTO dollars help each and every student at BHS. Just to name a few, the PTO funds provide the following....

- Assembly Events
- Author Visits
- Fourth Grade Celebrations/Activities
- Teacher Appreciation
- End of the Year Family Picnic
- Junior Achievement

Please note, unfortunately there is no way to stop sending home fundraising packets to the families who contribute to this opt-out program. This program will also not replace traditional fundraising.
